

DECLARATION OF COVENANTS FOR MULTIPLE FAMILY RENTAL
DEVELOPMENTS WHERE INITIAL RENTALS WILL OCCUR ON OR AFTER
FEBRUARY 28, 2006

INTRODUCTION

This Covenant for Multiple Family Rental Developments must be completed and recorded in the Fairfax County land records by the developer before any of the ADUs in the development are **offered** for rent. The ADU Notice of Availability and Offering Agreement cannot be executed until this is done. Evidence that this Covenant has been recorded for all of the ADUs in the development must be submitted with the ADU Offering Agreement for the first ADUs to be rented in a development.

This multiple family rental development Covenant requires two attachments to be prepared by the developer (Declarant). Exhibit A is a legal description of the property (the rental development) which is subject to the requirements of the ADU Ordinance. Exhibit B is a copy of the approved site plan for the property which must indicate the number of ADUs required as well as the type of units, size and number of bedrooms of the units designated as ADUs.

While the Covenant must be filed prior to the first ADU being offered for rent, which can occur at any time after the building permit for the ADU is issued, the control period under this Covenant does not begin until the first Residential Use Permit is issued for the first available ADU. Therefore, in order to specify this date, a First Rider to the Covenant is also required to be filed by the developer.

Copies of both of these documents are attached.

("Declaration") is made as of the ____ day of _____, 20 __, by

("Declarant") the owner of certain property
("Property") located in Fairfax County, Virginia as described on Exhibit A attached hereto and a
part hereof.

RECITALS

R-1. On December 11, 1989 the Board of Supervisors of Fairfax County, Virginia established an Affordable Dwelling Unit Program, as modified on March 30, 1998, as further amended by amendments to Part 8, Article 2 of the Fairfax County Zoning Ordinance that became effective on July 2, 2002, and as further amended by amendments to Part 8, Article 2 of the Fairfax County Zoning Ordinance that became effective on February 28, 2006 ("Program") to assist in providing affordable housing for persons with low and moderate income.

R-2. The Program is intended to be administered in accordance with Part 8, Article 2 of the Fairfax County Zoning Ordinance and the regulations established with respect thereto (the ordinance and the regulations, as the same may be amended from time to time, are collectively referred to hereinafter as the "Ordinance").

R-3. The Ordinance requires, in pertinent part, that owners of certain land seeking a rezoning or special exception for development of projects included in the Program provide

a number of affordable dwelling units (collectively, the "Affordable Dwellings, each individually referred to as an "Affordable Dwelling") for sale to qualified purchasers or for rental to qualified tenants, all in accordance with and under the conditions set forth in the Ordinance.

R-4. Declarant has agreed that in consideration of benefits conferred upon Declarant under the Ordinance and in compliance with Declarant's obligations under the Program, Declarant shall make available on the Property the number of Affordable Dwellings, with the type of units, size and number of bedrooms as designated on the approved site plan for the Property attached hereto as Exhibit B and made in part hereof, all of which shall be operated and maintained in compliance with the Ordinance.

R-5. The Ordinance establishes certain conditions, limitations and controls on the Affordable Dwellings that are to remain in effect with regard to rental and occupancy of each of the Affordable Dwellings for a period (the "Control Period") beginning on the date the first residential use permit is issued on the first available Affordable Dwelling (such date being referred to herein as the "First RUP Date") until thirty (30) years thereafter; such latter date to be specified in a First Rider to be recorded on the Property after determination of such date (the "First Rider").

R-6. The Ordinance provides that during the Control Period multiple family rental Affordable Dwellings shall be offered only at rents permitted under the Ordinance and to persons (collectively, "Qualified Tenants", each individually a "Qualified Tenant") who meet the income criteria established under the Ordinance.

R-7. The Ordinance further provides that for a period (the "Initial Control Period") of thirty (30) days after the date that the owner of the Affordable Dwellings sends notice in accordance with Section 2-811 of the Ordinance advising the Fairfax County Redevelopment and Housing Authority, or its successor in interest ("Authority") that a particular Affordable Dwelling is ready for rental, the Authority shall have the right to identify and certify Qualified Tenants meeting the eligibility standards provided in the

Ordinance ("Certified Tenants") in which event up to one-third (1/3) of the Affordable Dwellings shall be made available to such Certified Tenants; provided, however, that if the Authority fails to furnish to the owner of the Affordable Dwellings the name of Certified Tenants within the Initial Control Period, the owner may rent such one-third (1/3) of the Affordable Dwellings to any households with incomes up to fifty percent (50%) of the median income for the Washington Standard Metropolitan Statistical Area at rents affordable to such households.

R-8. The Ordinance further provides that with regard to the Property providing for Affordable Dwellings, covenants shall be recorded that will run with the land in favor of the Authority for the Control Period specifying certain terms and conditions of the Program applicable to the Property.

R-9. In further compliance with the Ordinance under the terms of the Program, Declarant is making this Declaration as set forth below.

NOW, THEREFORE, Declarant hereby declares that the Property shall be subject to the covenants set forth herein ("Covenants") which shall be binding in accordance with the terms herein on Declarant and all Transferees of the Property until expiration of the Control Period. For purposes herein, Transferees shall be deemed all persons and entities that may hereafter acquire any interest whatsoever in any of the Property, or any part thereof, from Declarant, or any successor or assign of Declarant, or any other party, whether by sale, lease, assignment, hypothecation or any other means of transfer (any and all of the foregoing means of transfer being herein referred to as a "Transfer"), for the applicable Control Periods.

ARTICLE I

PRE-GENERAL RENTAL CONTROLS

During the Initial Control Period, no rental or other Transfer of any of the Affordable Dwellings, or any part thereof, shall be made unless the Authority shall have received the notices required by, and shall have been afforded the opportunity to designate Certified Tenants to lease

ARTICLE II

ORDINANCE CONTROLS

A. C. During the Control Period, these Covenants shall be senior to all instruments securing financing with respect to the Property, and these Covenants shall be binding upon all assignees, mortgagees, purchasers and other successors in interest. Further, as provided for in Section 2-812(6) of the Ordinance these Covenants, being Covenants recorded on or after February 28, 2006, shall remain in full force and effect and shall not be released in the event of foreclosure by an Eligible Lender, as such term is defined in the next sentence, anything to the contrary in Section 2-812(8)(B) of the Ordinance notwithstanding. An Eligible Lender is defined as an institutional lender holding a first priority purchase money deed of trust on the Property, a rental project, or a refinancing of such institutionally financed purchase money deed of trust by an institutional lender, provided that such refinancing does not exceed the outstanding principal

balance of the existing purchase money first trust indebtedness on the rental project at the time of refinancing.

D. During the Control Period, no sale, transfer or foreclosure of the Property shall affect the validity of these Covenants, except as expressly set forth in the provisions of the Program as set forth in the Ordinance.

Each year, the Qualified Tenant of each Affordable Dwelling shall submit to the owner thereof, on the date specified in the lease with respect thereto, or such other date as may be established by the owner, an affidavit executed by such Qualified Tenant, on a form designated by the Authority, certifying such Qualified Tenant's continuing occupancy of the Affordable Dwelling (the "Affidavit").

B. If a renter of an Affordable Dwelling fails to provide the owner or landlord thereof with the Affidavit within thirty (30) days after a written request therefor, the lease with respect to that Affordable Dwelling shall automatically terminate, become null and void and the occupant shall be obligated to vacate the Affordable Dwelling within thirty (30) days after written notice from the owner or landlord thereof.

All deeds conveying any interest in any of the Property during the Control Period shall contain language specifically reciting that the Property is subject to these Covenants. Contracts pertaining to a Transfer of the Property, or any part thereof, during the Control Period also shall contain a complete and full disclosure of the restrictions and controls established by the Ordinance.

No remedy conferred upon or reserved to the Authority by these Covenants is intended to be exclusive of any other available remedy or remedies, but each and every such remedy is cumulative and in addition to every other remedy given under these Covenants and the Ordinance, existing at law or equity. No delay or omission to exercise any right or power conferred under the Ordinance or hereunder, will impair any such right or power or will be construed to be a waiver thereof. Notwithstanding the foregoing, nothing herein contained, or in the Ordinance, is intended to confer on the Authority a right to invalidate a Transfer made in violation hereof, or otherwise to cause a forfeiture or reversion of title to any of the Property. Any liens filed pursuant to the Ordinance shall not relate back in time, but shall be effective as of the date recorded.
